And enjoy a high rewarding career with endless opportunities

## OVERVIEW

ICAEW is a world leading professional membership organisation that promotes, develops and supports over 142,000 chartered accountants worldwide. We provide qualifications and professional development, share our knowledge, insight and technical expertise, and protect the quality and integrity of the accountancy and finance profession. As leaders in accountancy, finance and business ICAEW members have the knowledge, skills and commitment to maintain the highest professional standards and integrity. Together we contribute to the success of individuals, organisations, communities and economies around the world. "Because of us, people can do business with confidence".

## HOW IT WORKS?

The ACA qualification is an advanced learning programme that develops outstanding professionals through its integrated components that give you an in-depth understanding about business, finance and accountancy.

- 1 Professional Development**  
Develop your professional skills in several key areas:  
Adding value, communication, consideration, decision making, problem solving, team working and technical competence.
- 2 Ethics and Professional Skepticism**  
Being able to identify ethical dilemmas, understanding the implications and behaving appropriately.
- 3 Three to Five Years of Practical Work Experience**  
Build an impressive portfolio by working with the most talented and respected people in the industry.
- 4 Accountancy, Finance and Business Modules**  
Gain in-depth knowledge across a broad range of topics in business, finance and accounting.
